MESSAGE FROM THE DIRECTOR

Unexpected Company Chorale is an organization with a long history of creating music and performing for audiences in the Chisago Lakes area in Minnesota. This year, we celebrate our 40th Anniversary by taking our love of choral music to the communities in Sweden from where many of our families have emigrated. From May 8th through May 20th, we are charting a path through Sweden, connecting with old friends and making new ones. We will be visiting many of our region's sister cities en route and sharing our concert stage with local choirs along the way.

Programming for a tour where you are sharing the stage with other choirs has been a fun challenge. Included in our concert today are some of our favorite selections from the past few years, and some new selections that are sudden favorites as well. The program also includes a group of songs that encapsulate Americana, including music from a Minnesota composer, a Minnesota pop star, and a rousing spiritual! We are excited to share our music with you, to hear the wonderful choirs with whom we will sharing the stage, and we will discover Sweden in new and exciting ways. So welcome to our concert today. We thank you for your support!
